Replacement sheets 1/4 to 3/4 are enclosed in which Figures 1 to 7 are denoted PRIOR ART.

Attachments: Replacement Sheets 1/4, 2/4 and 3/4

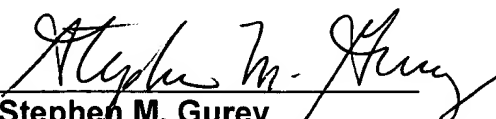

REMARKS

The objections to the drawings and the specification have been attended to above. The claims objections have also been attended to above by amendment. In addition, the parenthetical references in the claims to elements in the figures have been deleted, a grammatical error has been corrected, and "characterised" has been amended from the British spelling to the American spelling, "characterized". None of these claim amendments should affect the noted allowability of the claims.

In view of the foregoing, allowance of the amended claims and passage to issue of the subject application is respectfully requested. If the Examiner should feel that the application is not yet in a condition for allowance and that a telephone interview would be useful, he is invited to contact applicants' undersigned attorney at 973, 386-8252.

Respectfully submitted,
